Hi Honey.

How are you today? Alright I hope. I feel fine, but would feel much better if I were at home. Just think I have only a little better then 10 and a half months. It won't be too long before I'm home again. Gee well that be nice to be home again. I'm going to go to Paris France the 12th of February just to get away from it all. I'm going to keep taking three days till my time is used up. Time goes by all the faster. Don't you think so? I'm sorry I haven't sent you a letter sooner but I just didn't feel like writing. I hope you will forgive me. I can't think of too many things to write about. So I'll quit for now but will write either tomorrow or Saturday. Goodnight and God bless you

Hi Honey,

How are you today? Alright I hope. I feel fine, but would feel much better if I were at home. Just think I have only a little better *then* 10 and a half months. It won't be too long before I'm home again. Gee will that be nice to be home again. I'm going to go to Paris France the 12th of February just to get away from it all. I'm going to keep taking three days till my time is used up. Time goes by all the faster. Don't you think so? I'm sorry I haven't sent you a letter sooner but I just didn't feel like writing. I hope you will forgive me. I can't think of too many things to write about. So I'll quit for now but will write either tomorrow or Saturday. Goodnight and God bless you.
